Advice of Intention to Commence Work

Dear Sir/Madam,

Strathfield Park Revitalisation

Strathfield Council will soon be completing the revitalisation of Strathfield Park. This project is funded by the State Government under the Western Sydney Infrastructure Grant "WSIG". For more information, please visit Council's website <https://haveyoursay.strathfield.nsw.gov.au/WSIG/strathfield-park>

The works will be undertaken by Great West Landscapes on behalf of Strathfield Council. These works include but are not limited to the upgrade of the existing rotunda, basketball fields, new pathways, demolition of the old amenities building and the installation of new toilets, lighting and landscaping works.

What's happening?

Work is scheduled to start from the week commencing on the 3rd of November 2025 and will take approximately five months (5) to complete, subject to weather conditions.

Construction will generally take place Monday to Friday from 7am to 5pm.

To facilitate the various work activities and keep everyone safe, trained traffic controllers will assist in directing people during this period. There will be minor interruption to the usage of the park, however, we will endeavour to keep the inconveniences to a minimum.

Please be assured that every effort will be made to minimise disruption whilst works are underway and Council appreciates your while works are underway.

Strathfield Council is committed to delivering this important project to the community. During these works, we would like to thank you for your patience and respect to workers on site.

Who do I contact for more information?
